PROFESSIONAL EXPERIENCE

St. Joseph Drugstore **Jun 2023 – Sep 2024**

Lead Pharmacist *Jun 2024 – Sep 2024*

- Resolved concerns for 70+ patients daily, explaining medication use and adherence clearly to support better health outcomes.
- Kept medication records accurate for 50+ patients daily across high-volume shifts, protecting data integrity and patient safety.
- Grew branch revenue 20% by combining sales data analysis with proactive patient engagement and service initiatives.
- Ran daily operations and controlled-medication inventory with minimal supervision, keeping service uninterrupted and compliant.

Pharmacist-in-Charge *Jul 2023 – Jun 2024*

- Kept operations inspection-ready by maintaining audit-ready documentation and coordinating regulatory submissions across locations.
- Cut inventory losses 30% by introducing daily stock monitoring and FEFO (First-Expired-First-Out) rotation.
- Raised staff product knowledge and recommendation accuracy 50% through recurring clinical education sessions.
- Held full ownership of pharmacy operations, inventory control, and healthcare-regulation compliance for the location.

Reliever Pharmacist *Jun 2023 – Jul 2023*

- Served as the communication link between healthcare providers and patients to resolve prescription concerns and support safe, timely medication use.
- Reviewed prescriptions and kept patient records accurate and compliant with pharmacy regulations.
