PROFESSIONAL EXPERIENCE

St. Joseph Drugstore — Jun 2023 – Sep 2024

Lead Pharmacist *Jun 2024 – Sep 2024*

- Directed daily pharmacy operations and controlled-medication inventory with minimal supervision, keeping service uninterrupted and fully compliant with healthcare regulations.
- Maintained accurate medication records for 50+ patients daily, safeguarding data integrity and patient safety across high-volume shifts — the same accuracy standard required for remote medical documentation work.
- Drove a 20% increase in branch revenue by combining data analysis with proactive patient engagement and service initiatives.
- Counseled 70+ patients daily on medication use and treatment adherence, resolving concerns quickly while supporting better health outcomes.

Pharmacist-in-Charge *Jul 2023 – Jun 2024*

- Maintained audit-ready documentation and coordinated regulatory submissions across multiple pharmacy locations, keeping operations inspection-ready at all times.
- Trained pharmacy staff through recurring clinical education sessions, improving product knowledge and recommendation accuracy by 50%.
- Reduced inventory losses by 30% by implementing daily inventory monitoring and FEFO (First-Expired-First-Out) stock rotation.
- Owned pharmacy operations, inventory control, and healthcare-regulation compliance for the location.

Reliever Pharmacist *Jun 2023 – Jul 2023*

- Reviewed prescriptions and maintained accurate patient records while ensuring full compliance with pharmacy regulations.
- Served as the communication link between healthcare providers and patients to resolve prescription concerns and support safe, timely medication use.
